

### **Calcium Fluoride - #1**

Prolapsed Organs  
Varicose veins  
Flabby flesh  
Heart trouble  
Hanging abdomen  
Rough and/or sensitive teeth  
Muscles sprain easily  
History of tumors  
Enlarged lymph glands  
Carbuncles  
Ulcers  
Skin cracks easily  
Frequent vomiting  
Urine has odor  
Ruptures and/or hemorrhoids  
Bleed easily  
Sinusitis  
Obesity

### **Calcium Phosphate - #2**

Poor Digestion  
Broken bones heal slowly  
Slow rate of growth  
Hands and/or feet go to sleep or are numb  
Debility  
Convalescence  
Poor Digestion  
Chronic lung problems  
Catch cold easily  
Lots of mucous discharge  
Spinal curvature  
Deep ulcers  
Neuralgia with numbness  
Kidney stones or gallstones  
Sore genitals or breasts  
Night sweats  
Gastritis  
Anemia

### **Calcarea Sulphuricum - #3**

Toxic liver  
Skin eruptions  
Deep abscesses  
Bronchitis  
Oozing ulcers  
Kidney disease  
Frontal headaches with sickness  
Nerves very sensitive

### **Iron Phosphate - #4**

Bleeding and painful hemorrhoids  
Tissue inflammation  
Frequent diarrhea  
Frequent constipation  
Dry stools  
Sinus congestion with headaches

### **Iron Phosphate - #4 continued**

Insomnia  
Heavy menstruation  
Frequent nosebleeds  
Recent physical injury or surgery  
Listlessness  
No appetite  
Teething fever  
Frequent colds, fevers, sore throats, flu  
Active measles or whooping cough  
Bronchitis  
Pleurisy  
Arthritis, rheumatism or gout  
Neuritis  
Inflammation

### **Magnesium Phosphate - #5**

Cramps/spasms/restless leg  
Muscle inflammation  
Headaches or Earaches  
Toothaches  
Arthritis/rheumatism/gout  
Sharp, shooting pains  
Writer's cramp  
Nervous asthma  
Heart palpitations/angina  
Vagina spasm  
Painful retention of urine  
Flatulence (gas)  
Colic pains  
Vomiting  
Hiccoughs  
Squinting  
Paralysis  
Neuralgia  
Painful menstruation  
Prostate difficulties  
Widespread itching  
Profuse perspiration  
Mental exhaustion/insomnia  
Highly sensitive/nervous  
Thin & easily exhausted  
Sweat when in pain

### **Potassium Chloride - #6**

Clotted bleeding  
Active chickenpox/mumps/measles  
Gray-white mucous  
Eczema  
Croup  
Pneumonia  
Pleurisy  
Swollen/congested Eustachian tubes  
Eyes seep mucous  
Dry nose inflammation  
Painful menstruation  
Menses blood dark/clotted

### **Potassium Chloride - #6** continued

Whitish vaginal discharge  
Sluggish liver  
Constipation with light gray stools  
Mucous colitis  
Hand warts  
Acne  
Shingles  
Dull aching pains  
Inability to digest fats or starches  
Jaundice  
Asthma  
Epilepsy  
Dropsy  
Fever

### **Potassium Phosphate - #7**

Insomnia Appendicitis  
Diarrhea  
Improper fat digestion Offensive secretions  
Bowel bleeding  
Poor memory  
Despair/ anxiety  
Fear/ sadness  
Weak muscles or paralysis  
Nerve pains  
Alternating moods  
Hysteria  
Sleepwalking  
Depression  
Brain concussion  
Delirious  
Loss of mental power  
Impotence  
Prostration after exercise  
High pulse rate  
Nervous asthma  
Excessive menstruation  
Nerve / muscle disorders  
Nausea  
Motion sickness

### **Potassium Sulphate - #8**

Skin conditions  
Sinus congestion with headache  
Yellow coated tongue  
Yellow / slimy mucous/ pus  
Bronchitis  
Asthma  
Pneumonia  
Arthritis/ rheumatism/ gout  
Alternate hot/cold  
Wearing and heavy  
Anxiety/ sadness  
Heavy headache  
Pains in hands or feet

### **Potassium Sulphate - #8** continued

Pains that move around  
Symptoms get worse in the evening  
Jaundice  
Indigestion  
Dandruff  
Yellow vaginal discharge  
Difficult menstruation  
Frequently miss periods

### **Silica - #9**

Connective tissue problem  
Hair disorders  
Nail disorders  
Skin disorders  
Poor memory  
Slow/ difficult thought  
Absent- mindedness  
Arthritis/rheumatism  
Lymphatic congestion  
Dry feet with odor  
Night sweats  
Feet/ armpits over perspire  
Weakness  
General irritability  
General debility  
Boils/ carbuncles  
Tire easily  
Inner chilliness  
Little body heat  
Menses with icy coldness & constipation  
Headaches from studying  
Nervous exhaustion  
Digestive conditions  
Cataracts  
Deafness  
Ulceration of nasal bones  
Mouth/ tongue ulceration  
Vaginal discharge  
Cystitis/tumors  
Thick mucous membranes  
Foul diarrhea  
Breast inflammation Hacking cough  
Painful constipation  
Sore tender feet  
Spinal irritation  
Bruised/ diseased bones  
Joints crack  
Weak ankles  
Chronic insomnia  
Anal spasms

## **Sodium Chloride - #10**

Diarrhea  
Dry chronic constipation  
Edema  
Bloating  
Watery eyes  
Excessive salivation  
Crave salt  
Chills/fever  
Mucous  
Hay fever  
Asthma with edema  
Chronic facial eczema  
Addison's disease  
Cold hands/feet  
Sunstroke  
Gum ulcers  
Greasy skin  
Cracked fingertips  
Nervous bowels  
Sciatica  
Hysteria  
Hair loss/ dry scalp  
Rapid pulse  
Stupor in illness  
Heart palpitates and/or flutters  
Sterility  
Hands and/or feet numb

## **Sodium Phosphate - #11**

Arthritis, rheumatism or gout  
Poor fat digestion  
Nausea  
Motion sickness  
Sick headaches  
Sour breath with vomiting  
Offensive odor in front of nose  
Heartburn  
Pain after eating  
Diarrhea  
Frequent but slight urination  
Constipation with acid symptoms  
Sterility with acid symptoms  
Sour, creamy vaginal discharge  
Yellow eye discharge  
Eczema with creamy secretions  
Thick yellow mucous  
Diabetes  
Insomnia with itching  
Acidity in young child  
Low white blood count

## **Sodium Sulphate - #12**

Perspire very little  
Mucous membranes very dry  
Skin too moist or too dry  
Always thirsty  
Edema  
Constipation  
Diabetes  
Flatulence (gas)  
Gallbladder, liver and/or kidney disorders  
Leukemia  
Yellow-green mucous  
Vomiting with diarrhea  
Fever/flu  
Irritable with depression  
Jaundice  
Arthritis, rheumatism or gout  
Watery pus discharges  
Soft warts  
Crops of warts  
Bronchial asthma  
Night asthma attacks  
Eyelids stick shut  
Flat and/or soapy taste in mouth  
Incontinence of urine  
Vomiting during pregnancy  
Nose, mouth or gums burn frequently  
Ear ache with noises in ear  
Tongue is coated greenish-brown  
Excessive milk in lactation  
Sciatica  
Nausea  
Vertigo  
Neuralgic sick headaches  
Excessive sleepiness  
Concussion
